2. To Whom and For What Purposes Can Your Personal Data Be Transferred?

Your personal data may be transferred;

- To Authorized Public Institutions and Organizations for the purposes of executing

activities in accordance with the legislation within the scope stipulated by legal regulations, providing information to authorized persons, institutions, and organizations, fulfilling employment contracts and legislative obligations for employees, and following up and executing legal affairs,

- To Real Persons or Private Law Legal Entities for the purposes of executing business activities, communication activities, occupational health and safety processes, logistics activities, following up on requests and complaints, organization and event management, and executing goods/services purchasing and sales processes,
- To Affiliates and Subsidiaries for the purposes of executing information security processes, executing/auditing business activities, planning human resources processes, executing storage and archive activities, executing finance and accounting affairs, and executing contract processes.

3. How Long is Your Personal Data Stored?

If a period is specified in the law or relevant legislation for the storage of data, your personal data must be stored for at least this period. If a period is not foreseen in the law or relevant legislation; it is stored for reasonable periods determined in connection with, limited to, and proportionate to the purposes of processing.

4. What Are Your Rights Regarding Your Personal Data as the Data Subject?

Regarding your personal data, you have the rights to;

- Learn whether your personal data is being processed,
- Request information if your personal data has been processed,
- Learn the purpose of processing personal data and whether they are used in accordance with their purpose,
- Know the third parties to whom your personal data is transferred domestically or abroad,
- Request the correction of your personal data if it is incomplete or incorrectly processed,
- Request the deletion or destruction of your personal data within the framework of the conditions stipulated in the PDPL legislation,

- Request that the third parties to whom we transferred your personal data be notified when you request the correction of incomplete or incorrect data and the deletion or destruction of your personal data,
- Object to the occurrence of a result against you by analyzing the processed data exclusively through automated systems, and
- Request the compensation of the damage in case you suffer damage due to the unlawful processing of personal data.

5. How Can You Exercise Your Rights as the Data Subject?

You can exercise your applications and requests regarding your personal data by;

- Applying in person to the GÜRKAN KAYABAŞOĞLU Clinic with a valid identity document,
- Sending your petition signed with your electronic signature or mobile signature via your registered electronic mail to gurkan.kayabasoglu.1@hs01.kep.tr.

Pursuant to the Communiqué on the Procedures and Principles of Application to the Data Controller, in the application of the Data Subject, name, surname, signature if the application is written, Turkish Republic identity number (if the applicant is a foreigner, their nationality, passport number or identity number, if any), the residential or workplace address for notification, the electronic mail address, telephone number, and fax number for notification, if any, and information regarding the subject of the request must be included.

The Data Subject must clearly and understandably state the requested matter in the application they will make to exercise the above-mentioned rights and containing explanations regarding the right they request to exercise. Information and documents related to the application must be attached to the application. Although the subject of the request must be related to the applicant's person, if acting on behalf of someone else, the applicant must be specifically authorized in this regard and this authority must be documented (power of attorney). In addition, the application must contain identity and address information, and documents verifying identity must be attached to the application. Requests made by unauthorized third parties on behalf of others will not be evaluated.

6. How Soon Are Your Requests Regarding the Processing of Your Personal Data Answered? They will be answered within a maximum of 30 days from the date they reach our Institution.
